The Objectives of the Association are to act as an intermediary between the Residents and other parties, to keep residents informed of matters of importance and recreation in and around the Village, and to promote the interests of Bar Hill. Opinions expressed in this publication and not necessarily those of the Association. **Anonymous letters will NOT be published, but names and addresses may be withheld.** However, these may be made available should a written request be received. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Co-ordinator (see above – email to bunty.waters@ntlworld.com)

¼ page adverts cost £15.50 per month and must be submitted by the 1st of the month prior to inclusion.

Maxi ads (£8.50 per month) and **Mini ads** (£5 per month) should be submitted by 15th of the month prior to their inclusion.

Sizes: Maxi 6 x 4.5 cm – 9 x 6 cm; Mini 6 x 2 cm – 6 x 4 cm.

The ¼ page ads are for local businesses and we guarantee publication. This often results in a waiting list and, to help overcome this problem, we provide maxi and mini ads. These appear throughout the publication and we cannot guarantee their inclusion due to restrictions of space.

FRIENDS OF BAR HILL LIBRARY

Our events this summer

Village Fête: The Friends will be running a second-hand bookstall at the Village Fête in July. Please come and support us; our funds are used to support the village Library, especially by supplying equipment.

Visiting speaker: Our visiting speaker for this summer will be Sheila Stuart, who is serving her second term as Mayor of Cambridge. She will give us an insight into what goes on in the Mayor's Parlour in the evening on 18 July. We need your support for our talks; we shall not be able to continue them if attendance continues to wane. Please make a note of the date so you don't forget to come.

Coffee mornings: Thursday 6 June and Thursday 4 July are the dates for our next two coffee mornings in the Library from 10 am to noon. These will continue throughout the summer on the first Thursday each month.

Brian Bell: For many years Brian served the Friends as treasurer, keeping not only our financial records but also our membership details. He was one of the founder members of the Friends, which was set up when the Library was under threat of closure, and he played a vital part in many of our activities. We are very sad to report his death in April. He is greatly missed. We and the whole village are indebted to him for his service to the community.

STORYTIME AT BAR HILL LIBRARY

Stories and pictures, rhymes, songs and craft activities – 10.30 am on 8 and 22 June at Bar Hill Library.

Storytime is open to children of pre-school age and their older brothers and sisters who are accompanied by an adult. It offers half an hour of book-based enjoyment twice every month.

This free event opens up the treasure that books present, introducing young children to their local library and revealing to them all that is to be gained from learning to read. There is no need to book; just come along and join our regular enthusiasts for reading.

It is with great sadness that the death is reported of Mr. Martin Bacon who was Principal of Swavesey Village College from January 2003. He died on 13 May after a long illness.

Martin was born in 1966 in Colchester. He read Theology at Oxford, and after completing his degree he "hung around" until he was awarded his Masters. This understatement and self-deprecation was typical of his gentle modesty. He went on to complete his Post Graduate Certificate in Education at the University of Exeter.

After a Deputy Headteacher post at Deacon's School, Peterborough, where he played a key role in helping create a world-class school, Martin gained his first Headteacher role at Swavesey Village College. His tireless drive, enthusiasm and leadership was instrumental in the College becoming the most successful in Cambridgeshire, with a national reputation for excellence. Delegations came from as far as China and Mozambique to understand this success.

Despite his position of authority, Martin refused to allow administrative duties to lessen his availability to the pupils, and he expected the highest standards from his staff. He was a key founder of the Swavesey Vision which saw pupil pass rates at the College soar to 100% for five GCSEs A*–C, a figure that placed the College in the top 3% of schools in England.

Martin was diagnosed with a brain tumour in July 2012. Even as the condition took its terrible toll, he continued to bring the same energy and enthusiasm to every aspect of his life, illustrated in March this year when he managed to complete the Swavesey 5 mile run. It is typical that the 'back pain' he lightly referred to on his Just Giving Page (http://www.justgiving.com/Martin-Bacon1), was in fact a spinal tumour. Throughout his struggle his positivity and determination remained.

Always a devoted family man, he often referred to his family and the sacrifices they made in the acceptance of his duties. Some men are measured by their words but others – like Martin – will be remembered for their kindness, achievements and the difference they made to the lives of those around them. Martin is survived by his wife Kathleen, and children, Jess and Josh.

Dear Editor

Thank you for including my article in the last edition of the Bar Hill News, I hope people will be encouraged to pop into our Community Market and have a look round.

Unfortunately you missed out the dates that I am due to be at the market. The organisers have sensibly said they will have a maximum of two jam and chutney sellers at each market, so I wasn't due to attend the May market (in case the article did inspire anyone to pop in and then wonder where Auntie Allie was!).

I am due to attend markets on Saturday 7th September, Saturday 5th October and Saturday 7th December.

Hope to see you there.

Kind regards

Auntie Allie

As this is my first edition as Editor, I can't be sure why the dates were missed from your article in last month's BHN. However, it was almost certainly due to issues of space in getting all the information in the magazine. Sincere apologies for this oversight. Ed.

Dear Editor

Please pass on our sincere thanks to the villagers who came to John Wilson's (John the Cod's) funeral and the gathering at the Social Club on the 18th April.

We were touched by the number of people who came to help us give a dear husband, father, Bar Hill resident since 1972 and previous fish and chip shop owner, such a moving farewell.

With thanks

from the Wilson family

During the Easter holidays, I was lucky enough to visit our partner school in Ghana using a grant from the British Council called "Connecting Classrooms". Some of the older children had already exchanged letters with them, but this was the start of what we will hope will be a real friendship where the children will be able to learn all about how each other live and how our lives are both similar and different!

Although the cockroach and millipede infested toilets were mildly alarming, and the village has no electricity or water, I had a fantastic time and have come back with hundreds of stories, photos and videos that will be used across the curriculum to help the children understand life in a very different part of the world. We are looking forward to welcoming the Headteacher, Samuel, to Bar Hill in the Autumn Term and will have a Ghanaian celebration as part of our International Week, the week of June 24th.

Measles outbreak – has your child been adequately immunised against this potentially serious childhood disease? Children usually have their first MMR (measles, mumps and rubella) vaccine when they have just turned a year old and a second MMR aged 3 year 4 months or just before they start school. Two doses of MMR are needed to get the best protection from measles. There is no upper age limit for the MMR vaccine.

What you can do now – if you are unsure if your child has received the full two doses of MMR please contact our surgery reception to either make an appointment or to ask if staff can check the records. Measles can be caught by spending just 15 minutes with someone who already has the disease. The virus is spread through the air and is highly contagious. Please protect your child and others in the community.

BAR HILL COLTS FC

Another season has been completed with all fixtures played and the players looking forward to their presentation on Saturday 18 May – a report will appear next month with the award winners – but read on for a sneak preview of some of the recipients.

The U10 Vixens
On Saturday 13 April, the Vixens played out a fantastic goal-less draw at home to Comberton Crusaders. Captain for the game was Katie Waldron and player of the match was awarded to Freya Goddard for her outstanding performance holding the side together for this last home game of the season.

The following week, the Vixens travelled to play Histon Hornets and came away with a 3–0 win. Captain for this game was Alisha Marsh, with Isabel Bryant scoring twice and Daisy Brumpton scoring her first goal. The team finished the league in 4th place in their division, which is great for their first season together.

On Wednesday 24 April, the Vixens had a great night being mascots to the women's team in the Cup Final against Cambridge University Women Cup Final at Cambridge City Football Ground – the team celebrated with their seniors after a thrilling 4–1 success.

Under 9 Eagles 9–1 Caldecote
After a period of 4 weekends with no games for variuos reasons, the Eagles played at Caldecote on a glorious sunny morning with the boys really looking forward to finally getting to play a match. Four minutes into the first half Jack Knight took possession of the ball, just outside the penalty area, and drove it into the net. From the restart, Sam Connor managed to gain possession of the ball before setting up Jack Knight again for an outstanding second goal.

Caldecote had some great shots on target, but goalie Matthew Stewart was on form with several superb saves. A lovely goal kick allowed Toby Simmonett to make a run and deliver a super cross to Sam Connor to add a third goal. From the kick off, the Eagles gained possession again for Jack Knight to complete his hat trick.

After Caldecote scored a goal, further goals were scored by Sam Connor (with a lovely strike), Dan Norden and Emron Macdonald. A great run from Alex Huk set up a fantastic finish from Toby Simmonett.

With the final whistle imminent, Dan Norden (with 43 goals for the season) saw an opportunity to shoot from the half way line to complete a fantastic result.

Under 16s 2–0 St Ives
Our under 16 team finished their season on a high with a fine 2-0 victory with goals from Matthew Daines and Jake Flack

Under 11 Bullets 4–2 Witchford
The Bullets completed their league programme with a 4-2 victory thanks to goals from Luke Swanser and a hat trick from Player of the Match, Jack Davies.

Under 8 Rockets 6–2 Swavesey
The Rockets came out on top against local rivals Swavesey thanks to goals from Jack Williams, a brace from Lucas Winter-Castillo and a hat trick from Seth O'Neill, Seth finished the season with a staggering 67 goals from 20 games to leave him as the division's leading goalscorer.

Please Please
We keep finding slivers of glass on the small pitch near the social club and ask that bottles be disposed of responsibly to ensure the safety of our young players.

REPORT TO PARISH COUNCIL JUNE 2013

County Elections

I will start with an observation about the recent County Elections. I know that what I write in mid-May be completely different when you read this piece in early June, but whatever political party or parties form the county administration on May 21st they will have to face up to some simple facts. The demand for services will continue to grow; funding will decrease. Cambridgeshire is the fastest growing county in the country. The council will have to save £32 million this year and over £95 million in the following three years. This is as an unprecedented challenge for all the 69 elected members, of which over 50% are new. Members and senior officers must work together in the interest of effectively running the council and public services. Only time will tell if this has been achieved.

New Members induction

With over 50% new members much work is required to provide briefings. So far some 20 sessions are in progress or planned for new members. These range from Standards and Governance, Scrutiny, Diversity, Service Committees to Finance, Planning and Audit and Accounts. All of these are provided by internal staff at Shire Hall.

During April/May I have:

- Chaired a Staff Appeals committee;
- County Planning Committee – outstanding planning conditions for a new primary school for 420 children in Soham were approved.
- Joint Development Control Committee – items for consideration included the discharge of five planning conditions for the University of Cambridge site between Huntingdon and Girton Road. These were all agreed.
- Cambridge Airport Consultative Committee – meets twice a year to provide an effective forum for discussion about all matters concerning the operation and development of Cambridge Airport.
- North West Cambridge Community Group – Cambridge University has held regular meetings for the past 6 years with representatives from communities living near the proposed development site, giving opportunities for informal dialogue. The meeting focused on development of the Community building, with a detailed presentation by the architect. The design has developed well with comments made last autumn being taken on board.
- Children's Centre Advisory Board – the County Council has 40 centres developed over the past 15 years to support children from birth to infant school age, and their parents. The board's objective is to increase the take-up of the full range of services provided by many partners at the centres. We had reports on the new Ofsted framework, reviewed the Healthy Eating policy and monitored finances.

UNDER NEW EDITORSHIP...

This is my first edition as Editor of the Bar Hill News. I hope you'll continue to enjoy it and it will be up to standard, but please bear with me while I 'learn the ropes'.

Many, many thanks to Margaret for her Editorship over the last 6 years.

A little about myself: I moved to Bar Hill from London in January 2013, although I have a long history with the village. My mother lived in Hanover Close till she died in 2008, and I've been a regular visitor since the early 1980s. My sister and extended family also live here.

Originally from March, I moved to London in 1974, having qualified as a Nurse at Addenbrooke's Hospital. I lived in Notting Hill Gate for 38 years. After giving up nursing due to a back injury, I retrained and worked at the Foreign Office in Whitehall from 1990–2010. For 7 of those years I managed the Desktop Publishing facility – hence my 'credentials' for taking on this role. Having enjoyed early retirement for a year, in 2012 I worked on a high profile Inquiry for the Cabinet Office.

Now I'm out of the 'rat race' I look forward to the challenge of fitting all the information sent to bhneditor@yahoo.com into the requisite number of pages each month...

Are you in need of a chiropodist ?

For a professional service in your own home:-

☎ 201278

Christopher Bruckshaw MSSCh MBChA

A registered member of the British Chiropody Association

THANK YOU FOR RECYCLING

We would like to thank you and residents throughout Cambridgeshire for recycling 54% of your waste. This puts us well above the national average of 39% and on track to meeting our target of 60% by 2020.

You may have heard recent news of problems at the Mechanical Biological Treatment (MBT) plant in Waterbeach. This machine was built to separate and process 'black bag' waste in Cambridgeshire. When working, the plant pulls out items which can be processed to reduce the volume of waste sent to landfill by half, whilst also capturing greenhouse gas emissions. Unfortunately, part of the turning equipment for this machine suffered serious mechanical failure in September 2012.

Work is underway to manufacture the new parts required to rebuild the machinery and to prepare the plant for installation, which is due to be completed before the end of 2013. In the meantime we'd like to remind you that the breakdown at the MBT only affects how 'black bag' waste is dealt with. Therefore we urge you to continue to recycle as much as possible through your normal household recycling service, which is collected and processed in the usual way. Recycling as much as possible reduces both the amount of waste going to landfill and demand on natural resources.

We would like to reassure you that the PFI contract the County Council has in place with the MBT contractor means the authority, and therefore council tax payers are protected from any additional costs incurred because of the breakdown.

You can find out more about the Journey of Waste at the annual Recycling Open Day on Saturday 13 July from 10am to 4pm at AmeyCespa's Waterbeach site, just off the A10 between Cambridge and Ely. At the event you can take a guided coach tour of the site; join a walking tour of the new Materials Recycling Facility; enjoy plant and vehicle displays; find out how to reuse and recycle more of your waste and take part in activities for all the family. Entry is free.

If you would like more information about the MBT, please contact the AmeyCespa Press Office on 01865 713240 or email press.office@ameycespa.com. For more information about the Recycling Open Day phone 01223 861010 or visit www.recap.co.uk.

Village Hall Setting (Village Hall, The Spinney)
The newly extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to discovering worms, ladybirds and other creatures that share the area at the setting. We are proud to offer many additional learning experiences for your child with regular visitors to the setting as well as exploring the community around us.

Church Centre Setting (Hanover Close)
This setting is intimate and comfortable and provides a safe environment for your child to learn and develop with their peers. The indoor area has a quiet corner for reading as well as a range of toys and equipment for your child to discover. We have strong ties with the community through visits to local businesses, the library and the church.

Moving On Sessions
We have sessions for children in their final year at the pre-school which are more structured; we work closely with the local primary school to aid your child's transition to the school learning environment.

Parent/Carer Partnership
To fulfil our commitment to meeting all our children's individual needs we use communication diaries as part of our outstanding parent/carer partnerships.

Please contact us on the above telephone numbers or: enquiries@barhillpreschool.co.uk

Our session allocation coordinator, Sarah, along with our setting managers, Sonya and Nikki, are always on hand to support you through the registration process

Playtots Sessions
Village Hall Setting on Tuesdays 9.15–11.15 am. All parents/carers with children from 0–5 years old are welcome at this stay and play session. Your child can choose from outdoor toys to messy craft materials and soft toys especially for babies.

Drinks and healthy snacks are provided.

COUNCILLOR CHAT

The turn-out for the County Council elections on 2nd May was 34%.

South Cambs Cabinet is now made up of:

Cllr Ray Manning (leader);
Cllr Simon Edwards (deputy leader, finance and staffing);
Cllr Mick Martin (environmental services);
llr Mark Howell (housing);
Cllr Tim Wotherspoon (Northstowe);
Cllr Pippa Corney (planning policy and localism);
Cllr Nick Wright (planning and economic development);
Cllr David Whiteman-Downes (corporate and customer services).

Continued economic success and quality of life at heart of growth plans: Three local councils have announced plans that put new jobs, the economy and quality of life at the heart of development plans to maintain Cambridge and South Cambridgeshire as one of the best areas to live and work in the country. Growth plans for the next 20 years would see a new town built at Waterbeach, a new village on a brown field site at Bourn Airfield, an extension of Cambourne and homes on the edge of Cambridge to provide well-connected and much-needed housing to support around 44,000 new jobs forecast to be created in the area up until 2031. Most of the proposals put forward for development on the green belt have been ruled out for the draft Plan including a possible community stadium. Both Cambridge City and South Cambridgeshire District councils have said that evidence of a need for the facility wasn't found and a number of the options considered for the facility would significantly impact on the green belt.

Business rates returned to South Cambs
A nationally significant multi-million pound tax avoidance scheme has been stamped out after South Cambridgeshire District Council teamed up with two other local authorities to take High Court action. The High Court ruled that £350,000 must be returned in business rates to South Cambridgeshire from a scam Charitable Trust and they have to pay the costs.

CAMBRIDGESHIRE FIRE & RESCUE SERVICE

BARBECUE SAFETY: The sun has finally arrived so I'm sure some residents will enjoy a tasty barbecue – but all barbecues can get out of control if care is not taken. Follow our top tips for a safe barbecue:

- Place your barbecue on level ground where it will not tip over;
- Site barbecues away from sheds, fences, overhanging foliage and the house;
- Avoid positioning barbecues where people have to pass close by;
- Keep children and garden games well away from the cooking area;
- Never leave barbecues unattended;
- When cooking is finished, ensure the barbecue is cool before moving it;
- NEVER pour petrol or other highly flammable liquids over any barbecue.

For more advice about coal or gas barbecue safety, log on to www.cambsfire.gov.uk/firesafety; like our fan page on Facebook: www.facebook.com/cambsfrs; follow us on Twitter @cambsfrs.

To find out if you are eligible for a free home fire safety check, call 0800 917 99 94.

We are situated in our purpose built building next to the School, with direct access from the playground. We provide childcare both during term time, after school and all School Holidays, for children aged 3–14 in a safe, stimulating and caring home from home environment with trained and experienced staff. The children walk directly to us when school finishes, with the reception and infant children being met in the reception classes and then accompanied to our building by our staff. Our Pre-School children are also collected by our staff from their Pre-Schools.

Our children enjoy a wide range of inspiring equipment, games and craft activities, from pool to computer games, dressing up to craft and lots more, or if they prefer they can chill out on our comfy sofas. We also use the safe environment of the school playground for outdoor play. A snack, such as pasta, filled pittas etc followed by a biscuit and fresh fruit is provided. We make birthday cakes to celebrate each child's birthday, which we share.

We are registered with OSTED: this enables parents/guardians who are eligible, to claim up to 70% of their childcare costs. We are also able to accept childcare vouchers eg Fair Care and Busy Bees.

Our opening hours are:
Term Time: 3.10 pm–6 pm Monday to Friday;
School Holidays: 8.15 am–6 pm Monday to Friday;
Craft sessions 10 am–Midday Monday to Friday – £5

During the school holidays we also offer full and part time childcare as well as occasional childcare. We also run special craft and come-to-play sessions during the school holidays 10 am–12 noon *which have proved very popular, both with children and their parents/carers. It's a chance to get your shopping done or maybe do something for yourself!*

Please feel free to contact us if you would like any more information or would like to come along and see what we have to offer.
